WELCOME TO K-IS

Dear Students, Parents and Caregivers,

Welcome to the 2014 school year at Casino West Public School. Congratulations to our Kindergarten children on completing their very first week of school successfully! A big thank you to all our Year One’s for helping them on their journey. Well done everyone!

I am so very pleased to be teaching your child this year. I believe that a good parent/caregiver - teacher relationship is important for maximum school success. I will communicate with you through notes, newsletters, possible phone calls and face to face talks. Please don’t hesitate to contact me if you have any questions, queries or concerns. The front office will make an appointment for you or just come and see me to arrange a time.

I have included the following information for you:
- General information regarding Teachers, Home Reading, Magic 100 Words
- What to bring to school each day
- General Timetable
- Bell Times
- School Rules
- Classroom Rules

I am looking forward to working with you and your child this year and to having an exciting, productive and enjoyable time.

Kind Regards,

Georgina Speck
General Information

I will be teaching K-1S every day. Other teachers involved with teaching our class are:

- Mrs Val Smith - Release Teacher
- Mrs Cheryl Patch - Literacy Support Teacher
- Mrs Judith Bryant - Librarian
- Uncle Shane - Cultural Program

Homework

Homework will include Home Reading and Magic 100 Words. Your child will have a plastic ‘Communication’ folder with Homework and any notes inside it. This will be sent home every afternoon and needs to be brought back to school each morning.

Home Reading

Home Reading books will go home every day. Please take the time to read the ‘Home Reading Diary’ and fill it out every day. Make each moment enjoyable!

Magic 100 Words

These are high frequency words that the children need to recognize instantly by sight. These do not have to come back to school every day, but only when your child is able to confidently recognize and read the words in their list.

Your daily encouragement and involvement with your child’s homework and learning will make a huge and positive difference to their outcomes.
What to bring to school each day.....

❖ A lunch box with a healthy lunch, recess and drink. Our canteen is open every day if you wish your child to purchase their food.
